

# .: MS-10H1 .:

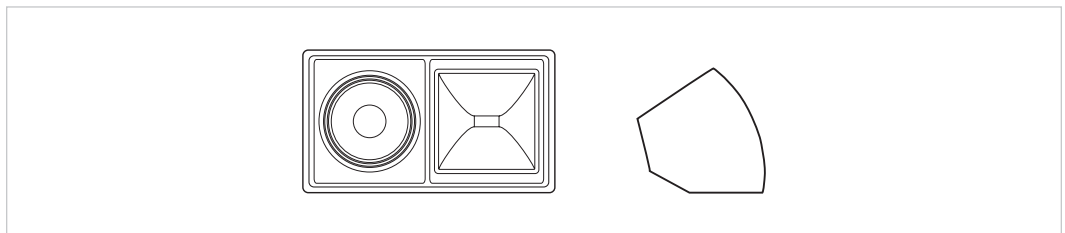

## TECHNICAL SPECIFICATIONS

### MULTI SERIES

This small multiple use cabinet produces a sound with the ruggedness and efficiency of a true workhorse cabinet. With its extremely wide bandwidth, smooth response and tight directivity control, the MS-10H1 produces rich intelligible vocals and impressive music output. This cabinet will impress even the most skeptics. Using a 10" driver especially made for flat response, low distortion, and extremely extended LF, this cabinet is at home in almost any audio or A/V environment.
